“Move Over ‘Downton Abbey,’ True Romance is in Mea Shearim... ‘*Shtisel*,’ an acclaimed TV show portraying the travails of love in the Haredi community ... a 12-episode drama ... tells the stories that unfold in an ultra-Orthodox family in Jerusalem, in a dreamy and imaginative style. The series has been both critically praised for the script and the acting, and is said to faithfully portray aspects of Haredi life.” —*Haaretz*
